WHO LIKES DEALING WITH INSURANCE COMPANIES?  
NOT ME!!

They belittle you; make you think that they are superior.

Running a fleet of 70 taxis i have seen alot of not at fault accidents and have heard all the excuses made by insurance companies.

My time is valuable.

That is why I use Robert Bakker.

Robert and his staff are efficient, courteous and will do everything possible in settling a claim with ease.

“IF YOU THINK THAT USING A LAWYERS TO SETTLE CLAIMS IS EXPENSIVE,  
CONSIDER HOW PRECIOUS YOUR TIME IS”

THANKS TO ROBERT AND HIS STAFF, I CAN GET ON WITH RUNNING MY  
BUSINESS.

THANKS

## **"Incredibly Professional Service."**

It is with pleasure and gratitude we share our comments on our experience with RB Lawyers.

Robert Bakker has been our Business Lawyer for a few years now and his extensive knowledge has been highly rewarding for us.

We recently went through a very unpleasant experience with our Insurance company but thanks to the hard work and dedication of Robert and his team at RB Lawyers, our case was settled without the need of going to Court.

What we appreciated most about working with Robert at RB Lawyers was his ability to keep us informed every step of the way and to deliver the fantastic results.

We highly recommend RB Lawyers to anyone wanting a very professional, experienced Lawyer.

After 30 years working in the Taxi Industry the only thing worse than dealing with the shortage of drivers, is dealing with Accidents and Insurance Company's. Whether the Taxis are in the wrong or the right in regard to accidents I have found better outcomes by using RB Lawyers and have learnt to pass on this part of my business to the experts at RB Lawyers and concentrate on the daily running of my business.

After gaining confidence in Robert and staff of RB Lawyers over the last few years I have found that I have utilized more of his services. In particular Robert has extensive knowledge of the Taxi Industry and the implications of Legislation changes which can be hard to keep up with. All my enquiries have been addressed quickly and efficiently and I am thankful to have the backup of Robert and his team in my business.

Dear Robert

Thank you for your assistance to us during this very difficult time and more importantly thank you for a great result.

Your no-nonsense and direct approach was a breath of fresh air for my wife and I.

We certainly have not had the same experience with previous law firms, who appeared to have languished in the months of uncertainty only increasing their bill and not finding us a solution.

You provided us with everything you promised and more and we look forward to bringing all our legal work to rb lawyers.

Yours truly

*Doug*
